Peterborough Museum Outreach

Under the Jurassic Sea EYFS & KS1 Session

In the Age of the Dinosaurs, 150 million years ago, this area was under a shallow tropical sea, teeming with life. Peterborough Museum has a superb, internationally important collection of fossils from the Jurassic period, all found locally. Let us bring some of this collection out to your school as you discover what creatures swam in these prehistoric seas.

Duration:	30 - 40 mins.										
What happens:	Children handle the fossilised remains of the plesiosaur, ammonite, ichthyosaur, belemnite and the steneosaurus (Jurassic crocodile). Children sit in a circle around 'sea' fabric and are selected to go under the sea to find a fossil. Other fossils are passed around the circle. All children (and adults!) are encouraged to participate in actions and movement.										
Maximum group size:	Up to 30 pupils. We can work with one group at a time and up to five groups in a full day (from 9:30am)										
Recommended ratio:	Minimum 1 adult to 8 students.										
Booking information:	Email: Claw@cityculturepeterborough.org.uk Phone: 01733 864 700 When the activities and date are agreed, a booking form is emailed to you. To confirm the visit we ask that you complete the booking form and email it back to us.										
Cost:	<table style="width: 100%; border: none;"> <tr> <td style="width: 50%;">£140: one class</td> <td style="width: 50%;">No additional travel</td> </tr> <tr> <td>£250: two classes</td> <td>costs to school within</td> </tr> <tr> <td>£330: three classes</td> <td>Peterborough city</td> </tr> <tr> <td>£410: four classes</td> <td>council.</td> </tr> <tr> <td>£470: five classes</td> <td></td> </tr> </table>	£140: one class	No additional travel	£250: two classes	costs to school within	£330: three classes	Peterborough city	£410: four classes	council.	£470: five classes	
£140: one class	No additional travel

Museum Outreach Programme

Can't come to us? We can come to you! Enjoy our some of our popular museum-led sessions in the comfort and convenience of your own school. Covering 150 million years of local history, they all include handling of real and replica artefacts.

'Living History' is where the deliverer is in role throughout.

Under the Jurassic Sea (Rec – KS1) or Fossils & Evolution (upper KS2)

Discover what fossils tell us about living things that lived in the past. (Dinosaurs, Jurassic, Fossils, Evolution)

Queen Boudicca wants you to join the Iceni tribes' revolt against the Romans. Will you join her army? Hear her viewpoint of the impact of Romanisation on the local community. (KS2) (Living History) (Impact of Romanisation on the local community, Roman Peterborough, Iron Age Peterborough, I am Warrior, Tribal Tales)

The **Roman surgeon**, the most trusted servant of the Governor who rules Durobrivae, is on their way to the Governor's home at Castor Praetorium and needs some willing volunteers to practise on first. Will you be willing? Take on Roman scenarios and find what it was like to live in Roman Britain. (KS2-3) (Living History) (Roman Britain, Roman Peterborough, Medicine through time)

It's 1574...The **Tudor barber surgeon** understands that some children are feeling poorly... Discover some of the bizarre ideas and cures for Tudor ailments and what this tells us about Tudor life for rich and poor in Tudor Peterborough. Includes looking at pictures of Tudor portraits from the museum collection and dressing up in replica clothing. (KS1-3) (Living History) (The Tudors, Tudor Peterborough)

Magistrate Thomas Alderson Cooke of Peterborough has heard that some children (and adults) have committed a Georgian crime... what will be your punishment? Travel back 200 years ago as you take a good look at continuity and change in this aspect of social history. This session is taught in groups of 15 pupils at a time. (KS2-4) (Living History) (Crime & Punishment, Georgian Peterborough)

Step back to Victorian times and be given a Victorian ailment! It's time to call the doctor. Meet the **Victorian doctor** who has travelled out of Peterborough Infirmary and find out if and how you will be cured whilst considering how this compares to times past and present. (KS2-4) (Living History) (Medicine through time, Victorians, Victorian Peterborough)

Put out the light! It's 1941 and the **WWII ARP Warden** is visiting new evacuees from London (you), explaining what their role is on the home front and ensuring everyone is prepared for an aid raid. How prepared will you be? (KS2-3) (Living History) (WWII, Peterborough at War, Local History)

How do **Toys from the past** compare with toys that children play with today? Explore and play with a wide range of toys and games from Victorian period to the 1970s. (EY-KS2) (toys from the past, materials, how things work, levers and pivots, history of play and pastimes, history of leisure time in the 20th Century)

Time detectives, explore a range of objects from 150 million years ago to the 1970s. Can you put them in chronological order and what do they tell us about the **Story of Peterborough**? (KS1-2) (local history)
